

## Chris Ramsay: Meditations in Stillwater

Sep 15, 2014 –  
Jan 17, 2015

This exhibition features more than 30 works spanning two decades by artist and OSU professor Chris Ramsay. Collecting everyday souvenirs, Ramsay creates mixed-media sculptures that invite the viewer to look closely at traces of time and life: not rare and precious artifacts but simple, anonymous objects from marine fossils and arrowheads to postcards and Coke bottle shards. The intimate experience of looking into these works and reflecting on the objects that have touched one's own life elicits a subtle revelation all too often left untapped by art today. Ramsay's sculptures achieve their ends through unpretentious materials, intimate scale, natural harmonies, and quiet conduciveness to thought.
