VOLUNTEER PROGRAMMING

The volunteer program at the OSU Museum of Art is starting to implement new strategies to serve our visitors better. In July, we established new quarterly meetings, added opportunities, and simplified the sign-up process. These changes will benefit the volunteers as well as the public.

We are grateful to have such a dedicated group of people among us, and we are excited about our next learning section in October. For more information about volunteering, please contact Cat de Araújo at catarin@okstate.edu
