

THE CRAWL IS FOR ALL

#STILLWATERARTCRAWL

"SO WHAT IS AN ART CRAWL, ANYWAY?"

Inspired by First Friday events in cities like Tulsa and Oklahoma City, Final Friday Art Crawl celebrates the art and local businesses in Downtown Stillwater. Our goals are to **provide an opportunity** for creative students to build relationships with each other, **encourage interactions** with art and people that are inclusive and focused on fun, and **spark ideas** for how the art community can continue to grow in Stillwater and Oklahoma as a whole.

GET INVOLVED!

We need collaborators! To join the fun as a business or as an individual, visit museum.okstate.edu/final-friday and click on **PARTICIPATE**.
