During the Art Crawl, we invite you to engage with the following creative challenges. Feel free to interpret them however you like or create your own!

- Draw on something you might otherwise throw away (coffee cup, napkin, etc.).
- Pick a word or words to inspire a drawing or story: fuzzy, magnify, time, shadow, grid.
- Save a receipt and write a few words on the back that describe this night.
- Listen to music at a stop on the crawl. Pair it with something you can see in that moment.
- Think of a question you don’t know the answer to. Make up a wild and creative explanation with your friends, no internet involved.
- Start with one piece of paper, and at every stop on the art crawl one friend takes a turn adding a drawing or poetry to a group collaboration.

“So what is an Art Crawl, anyway?”

Inspired by First Fridays events in cities like Tulsa, Oklahoma City, and Kansas City, Final Fridays Art Crawl celebrates the art and local business scene right here in Downtown Stillwater. The Student Advisory Committee’s goals in hosting this event are to 1) provide an opportunity for creative students to build relationships with each other, 2) encourage ways of interacting with art that are inclusive and focused on fun, and 3) inspire ideas for how the art community can continue to grow in Stillwater and Oklahoma as a whole.

The Student Advisory Committee is made up of a diverse group of students who have a passion for the arts and want to provide a platform for OSU students to make their voices heard at the museum. Through these voices, the Student Advisory Committee strives to achieve the OSU Museum of Art’s vision to develop cultivated citizens of the world for whom art is a lifelong source of joy and insight into the human condition and world.

If you are a university student interested in joining SAC, email audrey.gleason@okstate.edu. Our next meeting is May 3rd at 6pm at the OSU Museum of Art (720 S. Husband St.). All majors are welcome and no art/museum experience is required.
